Parking:

Parking is available in the adjacent parking lots at Corporate Woods. See the map below for parking locations.

Restrooms:

Portable Toilets will be located in the parking lot North of Building 40. There will be NO indoor toilets. Do not attempt to enter the office buildings as our permit does not include this. See the map below for toilet locations.

Course:

[CLICK HERE](#) to see where you're running! There will be plenty of arrows, directional signs and markings along the ground and volunteers along the course to point you in the right direction. Additionally, each mile will be marked and we'll have timing splits at the 5K, 15K, 15.2 Mile (Turnaround 1 for Marathon), and 20 Mile (Turnaround 2 for Marathon)!

Half Marathon and Marathon Aid Stations:

Will be located approximately every 2-3 miles along the route and will have water and sports drink at each location. GU and snacks (bananas, pickles, candy, cookies, pretzels and more) will be provided for marathon runners. Marathon aid stations will also have salt tablets, Tums, Vaseline, baby wipes and first aid kits. There will be a toilet at every aid station.

Pace Groups:

We are happy to provide SmartPacing pace groups! Be sure to join the right pace group to increase the likelihood of you achieving your time goal (or at least to enjoy some companionship)! [CLICK HERE](#) to meet your pacers! Pacers are not available for the 5K.

Time Limit:

There is a 6.5 hour marathon time limit. During that time the course is closed to traffic and the aid stations are available. The police may open sections of the course to let vehicles cross when there are large gaps in the race. Participants must maintain at least a 14 minute per mile pace to meet the course deadline. Participants in the marathon that do not maintain the 14-minute pace per mile will be asked to turn onto the 1/2 marathon course at the course split.

If you are unable to finish due to time and/or injury, please stop at the nearest aid station and we will arrange transportation back to the finish for you.

Finish Line Festival:

The Gobbler Grind will be serving up great food and fun after the race! All finisher medals, marathon finisher blankets, food and drinks will be located in the fenced in Finisher Zone adjacent to the finish line. Marathon finishers will receive a fleece blanket in addition to their finisher medal. Friends and family will not be allowed in this area.

The rest of the finish line festival will be adjacent to the Finisher Zone. This area is for runners and non-runners alike and will contain vendor and sponsor booths, food and drinks for purchase, massage tables, chiropractors, results, awards and our merchandise tent! Gobble it up!

Spectators:

Spectators are welcome anywhere along the course! Much of the route is difficult to drive to (being

#GobblerGrind

on a paved trail) so we suggest having a game plan before arriving. [CLICK HERE](#) to see suggested viewing/cheering locations!

Spectators will not be allowed inside the fenced in Finisher Zone but will have access to the Finish Line Festival adjacent to the finish line where they can find water coolers and a food truck with some great drink and food options!

History:

The Gobbler Grind is celebrating its 22nd year! The race was started by Mike English and another employee from Garry Gribbles Running Sports who thought it would be fun to plan a race between two of their stores. Paved running trails almost connected the Ward Parkway store and the Overland Park store at Stoll Park. The trails were measured and it was approximately a marathon distance. The name Gobbler Grind was chosen to differentiate from all the other "turkey" races in the fall. The first race was won by Eric Peters. As time went on the location was moved, but the race remains a pre-holiday tradition for runners in the Kansas City area.
